KEY:

- **TR** – Teacher Recommendation
- **NEW! *Technique Program*(Ages 9 & up)** – Ballet helps lay a solid technical foundation for many different styles of dance. Styles such as Lyrical, Jazz, Contemporary, and even Hip Hop benefit from excellent ballet technique. Starting this school year, we are offering our Technique Program for students ages 9 & up to enhance their ballet technique and further their growth in all their favorite dance styles. This program will also be for students who have a goal of dancing in pointé shoes. To join the technique program, students must take a minimum of 2 classes listed on the schedule as a Technique Program class. At the end of the year, students who participate in the technique program will receive a certificate of completion for the school year.
